

HELSINGTON & BRIGSTEER VILLAGE HALL

SAFEGUARDING POLICY (v2.3 – September 2023)

1. Purpose

Safeguarding and promoting the welfare of children and vulnerable adults at risk from abuse or neglect.

This policy defines how HELSINGTON & BRIGSTEER Village Hall operates to safeguard children, young people, and vulnerable adults at risk of abuse or neglect, regardless of gender, ethnicity, disability, sexuality religion or faith.

We have a duty of care and are committed to the protection and safety of everyone who enters our premises including children, young people and vulnerable adults at risk involved as visitors and/or as participants in all activities and events. We also have a duty to safeguard and support our trustees, volunteers, and staff.

2. Definitions

Children and young people are defined as those persons aged under 18 years old. This policy will apply to all staff, contractors and volunteers and will be used to support their work.

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment
- preventing impairment of children's health and development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- taking action to enable all children to have the best outcomes.

Vulnerable adults at risk of abuse or neglect

For the purposes of this policy, a vulnerable adult at risk refers to someone over 18 years old who, according to Section 42 of the Care Act 2014:

- has care and support needs
- is experiencing, or is at risk of, abuse or neglect
- as a result of their care and support needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

If someone has care and support needs but is not currently receiving additional support from a health or care service, they may still be a vulnerable adult at risk.

Persons affected

- All trustees, volunteers, and staff.
- All those attending any activity or service that is being delivered from the village hall charity property.
